

SLEEPING LIONS GAME

In this game, all of the children lie down on the floor in sleeping positions. Once they are settled, they are not allowed to move.

The hunters walk through the room and try to make the sleeping lions move by making them laugh, telling them jokes, and so on.

The hunters are not allowed to touch the lions. Once the lions have moved, they get up and join the hunters.

The last child lying on the floor is the winner.
